# ELGRO RIVER LODGE

---

The Elgro River Lodge has hosted many competitions as well as National Archery Championships.

The Willgro Group was the proud hosts of the IFAA World Bowhunter Championships held in 2013.

A true African Experience on a Game Farm with over eleven species of Game.

Elgro River Lodge: [www.elgroriverlodge.co.za](http://www.elgroriverlodge.co.za)

The Elgro River Lodge, situated on the banks of the mighty Vaal River, stretches over 3 kilometres of the river and offers superb riverfront views. What makes this lodge even more unique is the fact that it is located in the Western region of the magnificent Vredefort Dome, declared as a UNESCO World Heritage Site in 2005.

The River Lodge offers a true African experience with a variety of activities available. As continuation of nature preservation, this area is also a Yellow fish Conservation site offering some of the best Yellow fish fly-fishing in the country. The River Lodge offers up to 20 kilometres of pristine fly fishing water for small and large mouth yellow fish and contributing to a total fly-fishing experience is a basic Fly Fishing Shop at the lodge.

River rafting for the brave at heart accompanied by an experienced guide will get the adrenalin pumping and will ensure a memorable ride on the rapids of the beautiful Vaal River.

If you prefer to steer clear of water activities, an action packed game drive will entice you with a great diversity of game such as the Impala, Eland, Kudu and 180 species of bird life. Grab your binoculars and indulge in bird watching and animal spotting, for around every bend, nature at its undisturbed best will surprise and entertain you.

# ENTRY POINTS SOUTH AFRICA

Airports Company South Africa operates South Africa's 10 principal airports - including three major international airports - which together handle over 200 000 aircraft landings and 23-million passengers annually.

OR Tambo International Airport (formerly Johannesburg International) is the major gateway, offering both domestic, African regional and international connections. Altogether there are more than 30 airports in SA, ranging from smaller airports for cross-border flights to and from neighbouring countries to larger airports for flights to and from other African airports.

# GENERAL ENTRY INFO

---

## Language & Standard of living

South Africa has 11 official languages. While each language is technically equal to every other, English is the most widely spoken language in the country.

The standard of living is equivalent to that of Western Europe. The economy of South Africa is the largest and best developed on the continent, with modern infrastructure common throughout the country.

## Malaria

No malaria in North West province.

## Tourist Visa

Travellers from EU and Commonwealth countries do not need to formally apply for a visa. Upon arrival in South Africa, you will automatically be given a free tourist visa. This automatic entry permit is usually valid for a maximum of 90 days, though the immigration officer may tailor the time period according to the airline tickets held. It is the responsibility of each traveller to confirm themselves if they will need a VISA to enter South Africa.

However it is important that your passport be valid for no less than 30 days beyond date of departure from South Africa and contains at least two unused pages for entry/departure endorsements.

# TRAVEL

# LOCAL CLIMATIC CONDITIONS

## ALTITUDE

Potchefstroom is the only place in the world with a perfect balance between altitude training and quality training at **1400m**. The fact that Potch (shortened name) has no large scale factories it has very clean air.

# CLIMATE

Potchefstroom: Subtropical zone

South Africa stretches between the 22nd and 34th degree of southern latitude and hence is part of the subtropical zone.

The climatic conditions in South Africa are largely dependent on the altitude of the area and its proximity to the ocean.

Due to the height of 1500m (4920ft) above sea-level, the climate in Potchefstroom is nice during summer and very cold in winter.

Potchefstroom gets an annual average of between 8-10 hours of sunshine per day.

Potchefstroom has fantastic weather with a subtropical climate. Average temperatures for September / October 10\* C (min) to 28\* C (max). Rainfall occurs during the summer and we might have some during this tournament. Every season offers excellent sport participation conditions.

# TIME ZONE

---

Central European Time (CET)

As South Africa is not part of the territories operating Daylight Saving Time, hence there is no time difference to CET from April until October.

From November until March the time difference to CET is +1 hour. With a direct flight from any airport in central Europe travellers arrive within 10-11 hours in Johannesburg without jetlag.
